Good morning Rebecca and Darin,  
I hope this email finds you well. I want to start with a piece of good news. LADOT has finally approved our invoice from the Viz 0 project. If you have not already been paid, you should be receiving payment very soon. It was very unfortunate that it took about 6 months for DOT to process this invoice, and we thank you for understanding.

Onward to the next Vision Zero RFP! SCAG issued an RFP late last week for LADOT Vision Zero Education and Community Based outreach. This project is focused in CD 8 and 9, where our previous Viz 0 work occurred. I'm reaching out to see if you are considering pursuing this project and would like to talk about the possibility of teaming up again.

Looking forward to hearing your thoughts,  
Emily
